

VINYL DOORS

FORMICA® VINYL DOORS offer a welcome combination of affordability and design. You can choose from a range of contemporary colours in a Gloss, Velvet or Pearl finish, in a variety of profiles. Matching melamine board can be used for end panels to provide a complementary and economical solution. And for simple colour schemes, it's easy to mix and match these selections of solids, patterns and woodgrains with the broader Formica Colour range. Hard-wearing and easy to clean, the range is backed by a 7 year limited warranty. So open the door to great value and style with Formica Vinyl doors.

Formica Vinyl doors are marketed and distributed by The Laminex Group, a division of Laminex Group Pty Limited ABN 98 004 093 092. The colours of the products featured within the imagery in this brochure are as close to the Formica Vinyl doors range as photographic lighting and modern printing processes allow. The Formica Vinyl doors range is no different than any other material in that darker colours and gloss finishes will always show scratches and superficial wear and tear more readily than lighter colours and lower-gloss surfaces. Formica Vinyl doors should be protected from strong, direct sunlight as continuous exposure may cause discolouration or fading to the surface. Colours/finishes shown are available at the time of publication, but may be withdrawn without notice. Please obtain a copy of the terms and conditions of the Formica Vinyl doors 7 year limited warranty from The Laminex Group or visit formica.com.au. This warranty is in addition to any rights that may exist under Competition and Consumer Act 2010 (Cth). **Formica®**
