

Doors &  
Bench Tops

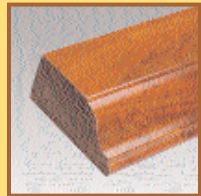

# Timber FORM

Mitch Timber Form Doors allow greater flexibility of design and finish.

When it comes to the warmth and appearance of natural timber, Mitch Timber features a range and consistency in colour, grain and appearance which allows for greater flexibility in design. With more than 25 different grains, various edging options, polishing and staining available, you can create a unique look reflecting your own personal style. All our doors are custom made locally, sanded and finished to your specifications.

Bullnose Capping

Sculptured Capping

Bench Tops
