12 Designer profiles and glazed options

The designer profiles combined with the choices of 75 colours from the ColourTech® Door range gives the flexibility you need to create your own individual look.

The range has been designed so you can coordinate different door styles within the range to achieve the exact look you're after. You'll find some suggestions on combining glazed doors into your designs under each glazed profile.

ColourTech® doors also offer a two pack, moisture resistant, painted finish that stands up to day-to-day abrasions, and most household cleaners and solvents. The ColourTech® Doors are also covered by a 10 year warranty.

When designing your kitchen, consider your drawer front options. Drawer sets, as seen below left, contribute elaborate detail to your kitchen by featuring individual profiling.

Drawer Banks, also seen below, offer a more simplistic design alternative with the drawers more closely matching the appearance of a single, ColourTech door:

ColourTech® Colonial Tudor drawer set with a Colonial Tudor top drawer and remaining drawers in Colonial Square – all in Calico.

ColourTech® Shaker drawer bank in Bayleaf.

ColourTech® Colonial Tudor drawer bank in Coral.

ColourTech® Painted Doors - edge profiles

The full range of ColourTech® doors is available in a choice of Square, 3mm Pencil Round and 6mm Standard Round Edge profiles.

Square Edge

3mm Pencil Round Edge

6mm Standard Round Edge

The Country Style kitchen pictured above features ColourTech® Homestead doors in Teal and Black Tulip, overhead open shelving in Black Tulip, and a Laminex® benchtop in Dansk Maple.
